Providence House

IMPACT REPORT

Fiscal Year 2025-2026

For Kids. For Families. *For Communities.*

Providence House keeps kids safe and families together, embracing them with support to enhance stability that strengthens communities.

Who We Are

Providence House is Ohio's first and the largest operating licensed Family Preservation Crisis Nursery in North America. We've kept more than 20,000 kids safe and families together since 1981, through our dedication to providing support that's caring, respectful, and accessible.

What We Do

Providence House provides free, voluntary, emergency shelter to children newborn through age 12 whose families are experiencing crisis. While their children stay with us, we offer supportive services to help parents and guardians address the challenges they're facing and reduce system involvement, prevent foster care placements, and build a stronger future.

MORE THAN

20,000

kids have been kept safe and returned home to their families since 1981

Why We Stand Out

We are the first and only Crisis Nursery to be listed on the national California Evidence-Based Clearinghouse as a research-based model for child welfare.

We are accredited and evaluated as a national model for child abuse prevention and family preservation. We are truly unique in our mission and philosophy as the only program of our type in Greater Cleveland.

Expenses Breakdown

Providence House is financially sound with a diverse revenue mix of public and private support, an operating reserve, and a growing endowment fund.

We continue to focus on strategic growth of our annual and recurring gifts, engagement with public and private funders, and use of best practices in philanthropy. We are also growing earned income through a social enterprise consulting practice to share our Family Preservation Crisis Nursery model with other communities across the nation.

We are committed to being excellent stewards of the gifts and resources entrusted to us through sound financial policies and practices, and continuously assess our current and future financial strategies to ensure our sustainability.

**Past Chair*

Thank you for allowing us to be your arms and hands to care for the children who need us most. We truly appreciate your ongoing support of Providence House as we celebrate 45 years of keeping kids safe and families together.

We could not fulfill our promise of safety, stability, and success for our children and families without the generosity of our dedicated donors and partners who help us provide loving care to those we serve.

We are grateful for your commitment and hope you will continue partnering with us to embrace families facing challenges with support and enhance their stability to strengthen all of our communities in the year ahead.
